To the Director
Rabbi Cross.
K" C. S.

I recent saw a brief list of materials published by you through your institute. Some of the titles are interesting from both אורח and אורח

As a בן of a small Orthodox אורח אורח I need material that is both accurate and relatively inexpensive - but also must be clear and with אורח for use as a basis of expanding אורח into אורח - אורח

Could you please

(a) Send current information about the complete list of אורח that your אורח has currently available.

(b) אורח has expressed interest in American אורח. Since there is no information, could you please also send information - a אורח or more on your אורח.

P.S.
My students are אורח 15-20 years of age.

There are both אורח and אורח also אורח

Material אורח to both would be appreciated

As surface mail can take up to 3-4 אורח

I would appreciate it if you could send this information by אורח
